LONESTAR ELECTRIC VIBES REVEALS FULL LINEUP OF TALENTS FOR ITS FIRST EDITION

DJ's from eight different countries to perform in a twelve-hour party on October 26 at Constellation Field, in Sugar Land, Texas.

September 9, 2024.- Hispanika Entertainment has just announced the full Lineup of its LoneStar Electric Vibes event in Sugar Land, an electronic dance music (EDM) festival which will take place on Saturday, October 26, 2024, at Constellation field.

Ummet Ozcan, Paul Oakenfold, Sunnery James & Ryan Marciano, Sak Noel, Mr. Pig, Le Twins, Miss Nine, Bradeazy, Neon Deluz and Vesca will share music, food, drinks, pyrotechnics and much more music with people attending this twelve-hour party.

"We are excited to produce this big scale event that brings together a set of international, globally renowned performing talents who will create a universal connection, transforming the Houston area into a must of the EDM scene in America. Don't miss the opportunity to be part of this party in Sugar Land," said Rafa Gárate, General Manager of the LoneStar Electric Vibes festival.

HISPANIKA

The event will celebrate its first edition on Saturday, October 26, 2024, at Constellation Field in Sugar Land, Texas, with an expected attendance of more than ten thousand people. The party will last twelve hours (from 12:00 pm to 12:00 am).

Tickets are available in different tiers at [tickets.com](https://www.tickets.com)

Tickets will be available in different tiers to widen the opportunity for those in the Houston area who wish to join the party.
